Items:

- PAST
- Chapter 3
The professor takes Johnny and Fergie back in time to see a war that happened centuries ago unfold.
- Chapter 4
Johnny and Fergie sneak into the professor's home using the key he gave to Johnny to climb into the time machine and travel back to the olden days when they succeeded by using the key for the trolley
- Chapter 4 part 2
They travel back to 1896 and they appear in a strange man's room being chased out of the house they come to find they lost the key to the trolley and try to sneak into the man's home to get it back
- Chapter 6 part 2
Soon after the professor found the stull aways and getting furious telling them off, but then touched after they told them they were concerned. He was going to save the people in the church.
- Chapter 6 part 3
The prof finally got to his scenes and thought of quitting the plan. The prof still wanted to admire the view there was a strange man who started to yell at the prof in a strange language
- Chapter 6 part 4
They couldn't understand but what they did know is they were in the hands of the enemy
- Chapter 7
Fergie and Johnny are getting scared at the strange man they are transacting and the prof is explaining to the man why they were there and obvious lie but he didn't buy it.
- Chapter 7 part 2
The man might not buy the story that there are friends of the chief. The man also doesn't understand about present day clothing and the glasses weren't invented yet so the prof lies again.
- Chapter 6
As Johnny and Fergie plan to sabotage the professor's travel back in time they discover the professor is booting up the machine before the professor could take off the boys quickly grabbed the side
- Chapter 7 part 3
There are ships that may be coming from Venice and Johnny and the prof have hope that they will be saved meanwhile Fergie was getting his pocket knife and is using Johnny's hand free
- Chapter 7 part 4
War has broken out against the 2 ships. Someone has cut Johnny's arm and was killed by a crossbow. The prof is struggling with loading a flare and when he shot the flare he said surrender
- Chapter 8 part 2
They are trying to go to Leander's tower to go back to the time machine while Johnny's are hurting like heck
- Chapter 9
A group of men came as Johnny is lying on the floor the sword that cut him has poison. They are being very cautious and scared around the strange men but at least they took good care of Johnny
- Chapter 8
The prof and the boys are in Turkey in 1453 and they discover that the person who made the trolley had been careless and got stuck in the past boat that they were on had crashed.
